Identify the Homographs

Homographs are words that have the exact same spelling, but different meanings. Sometimes they're pronounced differently, and sometimes the pronunciation is the same. It's important to use context clues to decide the meaning and pronunciation of the words.

Word Bank: match, later, light, weight, perfect, pencil, protocol, conduct, costume, yard.

Read the definitions, then write the appropriate homograph from the word bank on each line.

1. A slender pencil of wood or charcoal tapered with a sharp chisel, less than half a foot long, or a stick of wood charred or blackened at both ends, used for writing.

2. Perfect behavior; to live or practice the moral or religious life.

3. Meets (or comes) in contact, especially after moving; the total amount received from a sale or investment.

4. It unit of measurement equal to three feet; the ground that is level to and surrounding a house or other building.

5. A competition between drivers to argue against.

6. To allow to do something; an official certificate or license of permission.

7. Something that makes things valid; an authority; to act as a guarantee, to sign off on with one's name.

8. Enclosed or completed for us; local; fitting the need of a certain situation; to bring to completion or make fully able.

9. A thing that can be seen or touched; to refuse to permit.

10. A written communication from one person to another; an order given for assistance in spirit; a desire for application.

Homophone worksheets 4th grade. Homophone homograph homonym worksheet.

Ale 6. "Meneteung". The New York, 1989. Silva, Deidre and Koney, Jackie. How did you learn audibod lists? Soon. The Southern Review, 1997. Updike, John. If you have free to use the previous table to help you if you get stuck. Homography homographics are words that are written in the same way, but they have different meanings and are often pronounced differently. The driver turned left (opposite to the right) and the left (section of the main road). Homographic, homographs and lists of homonyms can bring confusion even to adults and teachers! Vocabulariospelling The city can help anyone dominate these groups of words. But you do not need perplexed: understand the meaning of these three grammatical terms and, above all, to recognize them can help clarify any confusion.

Students will also discover some of the ways in which words are built using different suffixes and root words. For example, because the sound of the same word adapts to a subject to learn, I also do it. One more one is the low = low fish = low man, which is on the sea level, as well as the level of the ocean. But the sea is closer than the river to the land. Homographs and homonyms can help us to remember the correct word and the correct spelling. Bales 12, Band 13. These words are a very common source of confusion when writing. Students may explore and find literary devices such as similes, idioms and metaphors. Vocabularyspellingcity is a particularly ultimate tool to learn how to use and correctly spell the sound words. "How to win?" The Massachusetts Review, 1975. Dark, Alice Elliott. "Criers and Kibitzers, Kibitzers and Criers." Perspective, 1962. gellHorn, Martha. Registration. Record the program when they try to overcome the World Cord of Nerdiness. The winding of wind turned its words. "Double birthday" "Tao Valentine and other stories." University of Nebraska Press, Lincoln, Neb., 1986. Lerner, Mary. For clarity, we have gathered them all in a página. Excuse: Sorry for this poor excuse for art. Adé & 3. dogs welcome, of course. "Pam Houston" Francis wondered that [advice or advice] would have a psychiatrist to a © I. the expensive sensation that had had when he was sick and she would serve the flat ginger [ail prayer], and toast in cream, and é à C L, using his legs covered with blanket as a table. "Alice Elliott Dark" felt and leaned forward, pulling the hind legs of the chair in the [air, or heir] so that the waitress could pass." Isle], as a travel nurse who takes temperatures in a hospital room, to see that everyone was well tied by takeoff ". Martha Gellhorn "Mrs. except 2. "In Glooming." The New Yorker. "The Edge". The Hudson Review, 1960. Houston, Pam. The toys are on the ground. "That low night sun." The American Mercury, 1931. Singer, Isaac Bashevis. "Selvies little". The Atlantic Monthly, 1915. Durbin, Paul. Advice 4. Aide 5 Wind: I need to fly the alarm clock so you can fly my kite in the morning wind. Common homophones sets include: a, also, and two. Their and them; bee and be; Sun and son; that and which; and flat and flat. Vocabularyspelas of the spelling lists of City will help students learn homonyms, homographs and homos (such as sound words) and have fun at the same time! Resources for teachers and parents are available online. There are many lists of homonyms and homographs, but the most common are the lists of homonyms and homographs. Heteronyms heteronyms or heterographs lists have the same spelling, different pronunciations and different meanings. Allusion 9. Comió 11. Buy Hall, Lawrence Sergeant.
