Developing relationships are at the center of Person 4 Golden, but not all social connections are born equal - some are definitely simpler than others. Such is the case for the Madman, the Star and the Arcana Judgment. These s-links are different from the others in P4G as they are all located in a different way. Rather you have to dedicate the time to level it out and go out with them, responding to conversation choices to speed up the process. For help with those more complex S links, be sure to check out our comprehensive Social Social Link & Conversation Guide. But what about the other three? Well, the investigative team (crazy), Teddie (Star) and Judgement (IGOR) S-Links all level in a slightly different way. Like the Persona 4 school exams, some things occur only on certain dates, while other ranks are tied to the events of history. Regardless of that, everyone has rewards on their own. Let's list everyone here. Investigative Team (crazy) Social Linking Relationships guide and every other social link in Person 4 Golden represents a particular individual where you get in touch with your adventure, the Fool Arcana S-Link, the research team, instead represents a Group.AS The small group of friends you come out with growing from the only protagonist, Yosuke and Chie in a much more Broad, the social connection of the investigation team will level out. Each rank will enhance your Fool Arcana Person fuse ability.This S-Link does not require any interaction from you.
