This DPS requirement is © same as me and the admin team © in Solak FC. T3 BASE GEM PASS = 170K DPMT3 HYBRID GEM PASS = 190K DPMT3 SINGLE STYLE GEM PASS = 200K DPMTo calculate your DPM, take your own score , divide by the amount of seconds of the kill e.g. 9 minute kill would divide your score by 540, then multiply this by 60 to get your final DPM result.(An additional 54k will be added to DPS gems after the kill, this makes up for the loss of DPM due to p1 roots not counting + other aspects, an additional 20k respectively will be added to BASE gems, lower than DPS due to lower HP on base's roots p1 due to mines at start.If using a metrics score, 40k will be REMOVED for DPS and 20k for BASE as mines damage is counted on metrics(NOTE: ANY MISTAKES THAT CAUSE LOSS OF DPM TO YOU OR THE TEAM WILL RESULT IN A 10K REDUCTION ON YOUR CALCULATED DPM)Please provide proof of gem scores, INCLUDING the score at the end of the kill PLUS the kill time in chatbox.
