LECTURE 2

BURSA MALAYSIA COMPANIES COMMISSION

Module by: Assoc. Prof. Dr Asmah Laili H] Yezon

Overview: Bursa Malaysia

Bursa Malaysia Berhad is an exchange holding company, listed on the Main Board of Bursa Malaysia Securities. It operate a fully integrated exchange, offering the complete range of exchange-related services, including trading, clearing, settlement and depository services. BM also provide information services related to the Malaysian securities market.

Established in 1973, Bursa Malaysia today has over 1,000 listed companies offering a wide range of investment choices to the world. Companies are either listed on Bursa Malaysia Securities Main Board for larger capitalised companies, the Second Board for medium sized companies or the MESDAQ Market for high growth and technology companies. We also have an offshore market.

In assisting the development of the Malaysian capital market and enhancing global competitiveness, Bursa Malaysia is committed to maintaining an efficient, secure and active trading market for local

BurshonEybursapot Link We have clear, exhaustive and accessible rules that govern, among others, the list of issuers and products in our markets, and the obligations of post-list issues, trade, clearing and settlement of our products, the Admission and publication. Obligations of admission of our participants. BurshoneyBursapot Link Bursahoneybursapot Link Bursa Malaysia is vigilant in its supervision and monitoring of compliance by the issuers listed with the listing requirements of Bursala Malaysia to guarantee high standards for disclosure and transparency and practical practices of corporate governance by Emitters listed. We make sure that the standards established for the issuers listed are effective in maintaining a fair and orderly market protection and investor. We make sure that the issuers listed comply with the requirements of admission and we also monitored their adhesion with the continuous listing obligations, including the proactive steps to facilitate compliance with the listing requirements of Bursa Malaysia. Place Significant Physis in Punctuality, Adaptation and Precision of Disclosure to allow investors to make informed investment decisions. Disclosure is an angular stone to maintain the integrity of our market. The obligation of disclosure of the issuers listed is stipulated under the policy of corporate disclosure in the listing requirements of Bursala Malaysia that establishes the requirements for both financial and non-financial disclosures. The monitoring of the emitters is carried out as follows: the requests evaluate and process the requests made by issuers listed for the initial list and the additional list of application process for exemptions, modifications and time extension for the Compliance with the Revolution of Bursa Listing Requirements and the list continuous monitor of obligation and review of advertisements and circulars to ensure that the disclosures are appropriate, clear, appropriate and comply with the listing requirements of Bursa Malaysia review the articles of the media and the emission queries to the list ready to ensure that all material information regarding the broadcasters listed in the public domain is clear and properly disseminated through the trade of Malaysian bursa monitors in the values of the stations listed for unusual market activities and require listed issuers to make an immediate announcement in any information that may explain the unusual market activities monitor the compliance of the issuers listed with the obligation of continuous listing specified in the requirements of the listing Corporate surveillance carries out the corporate surveillance of the stations listed to detect non-compliance with the list requirements of Malaysian bursa, we also provide guidance to nd feedback to the stations listed through formal briefings and informal commitments to help raise the standards of disclosures and corporate governance practices by the listed broadcasters. When non-compliance with the list of Malaysian bursa requirements is detected, investigations will be conducted and subject to findings, compliance measures will be taken against the errant party. We strive to deliver a high level of service and maintain an effective working relationship with the listed emitters, to ensure that the consultations can be channeled promptly and to the appropriate staff, we have dedicated specific personnel for each listed issuer to assist queries related to the list requirements of Malaysian bursa. This is essential.Encourage and promote greater compliance with the listing requirements of Bursa Malaysia. Requirements. Requirements. A partner in the legal firm, Chooi & Company + Cheang & Ariff. she has been in legal practice since 1994 specialising in corporate and securities law. She is principally involved in advising on capital market transactions, mergers and acquisitions, corporate restructuring as well as corporate finance related work. Hammond's rice rat (Mindomys hammondi), also known as Hammond's oryzomys, is a species of rodent in the tribe Oryzomyini of family Cricetidae.Formerly considered to be related with Nectomys, Sigmodontomys, Megalomys, or Oryzomys, it is now placed in its own genus, Mindomys, but its relationships remain obscure; some evidence supports a placement near ... Corporate Governance Guide (4th Edition) Corporate Governance. The CG Guide provides practical guidance to listed issuers to improve CG practices and reporting in line with the principles and requirements contained in the Malaysian Code on Corporate Governance ("MCCG") and enhanced CG disclosure requirements in the Listing Requirements.
