Page 2 Skip to main search results Hard back binding in publisher's original custard yellow paper covered boards, silver title and author lettering to the spine. When he died, Laban was in the process of preparing a new edition of the book, and so for some time after his death it was out of print. Hard back binding in publisher's original custard yellow paper covered boards, silver title and author lettering to the spine. Contains 186 printed pages of text with monochrome tables. 4th ed. Dust wrapper supplied in archive acetate film protection, this preserves and prolongs the life of the paper, it is not adhered to the book or to the dust wrapper. Laban's The Mastery of Movement on the Stage, first published in 1950, quickly came to be accepted as the standard work on his conception of human move-ment. That a second edition appeared was solely due to the efforts of Lisa Ullmann, who, better than any other person, was aware of the changes that Laban had intended to make. While it's primary focus is on the disciplines of dance and theater, i believe any person can learn a lot about movement from this book and come away with an appreciation for how they move. Showing 1-50 Start your review of The Mastery of Movement This is an intriguing book which explores how people move and what stories they tell with their movement. Acting and dancing are shown as activities deeply concerned with man's urge to establish values and meanings. Member of the P.B.F.A. DANCING & CHOREOGRAPHY. Condition: New. One Frontispiece Photo Illustration Of Laban. Kinetograms have been added to most of the examples in Chapters 2 and 3, as Laban originally intended, for the growing number of people who read and write movement notation. Lisa Ullmann has also compiled an Appendix on the the structure of effort, drawing largely on material from an unpublished book by Laban.The relationship between the inner motivation of movement and the outer functioning of the body is explored. Hardcover. Paperback. Language: English. This book is good for some one who is familiar with the practice of Laban's movement efforts and is looking to further that knowledge for analytical purposes. There's also some interesting ideas about how movement applies to one's awareness of time and space that can be very useful to explore in relationship to how you navigate space and time in your daily life. ...more Isabella Piva rated it it was amazing Oct 13, 2020 Lara Bertani rated it really liked it Jun 08, 2017 Rad Baker rated it really liked it Jun 01, 2015 Linus Vieira rated it really liked it Nov 08, 2014 Spinner Zuva rated it it was amazing Jan 30, 2017 Paula Carolei rated it it was amazing Dec 29, 2016 Meg Mahoney rated it really liked it Jan 08, 2015 Mel rated it it was amazing Nov 19, 2020 Maša rated it liked it Jul 19, 2018 Jessie Wolfe rated it really liked it Jul 05, 2020 Eva Smrekar rated it really liked it Nov 12, 2018 Shawn rated it it was amazing Dec 15, 2016 Craig rated it it was ok Jun 13, 2020 Cheila rated it really liked it Sep 16, 2013 Bell Puà rated it it was ok Nov 20, 2016 Oscar Lopes rated it it was amazing Aug 31, 2013 N.T. marked it as to-read Aug 13, 2012 Cameron marked it as to-read Oct 28, 2012 Meaghen marked it as to-read Jan 10, 2013 Alan marked it as to-read Aug 28, 2013 Enrico marked it as to-read Dec 03, 2013 Judit Gal marked it as to-read Feb 03, 2014 Far Nik marked it as to-read Apr 09, 2014 Sunny marked it as to-read May 06, 2014 Brendan marked it as to-read May 26, 2014 Ouida marked it as to-read Aug 21, 2014 Iolivos marked it as to-read Sep 23, 2014 Kelly marked it as to-read Jan 11, 2015 Livia Adél marked it as to-read Feb 15, 2015 Leticia marked it as to-read May 17, 2015 Skip to main search results Paperback. Laban's The Mastery of Movement on the Stage, first published in 1950, quickly came to be accepted as the standard work on his conception of human move-ment. Reading and trying out the suggestions in the book has helped me appreciate the miracle of movement and how to become present with your movement in your life. Dust marking to the closed page edges, ink name to the half title page. The relationship between the inner motivation of movement and the outer functioning of the body is explored. Dust Jacket Condition: Fine. The rather broader treatment of the subject made advis-able the change of title, for it was recognised that the book would appeal to all who seek to understand movement as a force in life. The many descrip-tions of movement scenes and mine-dances are designed to stimulate penetra-tion into man's inner life from where movement and action originate. Training in the visual arts has generally been through variations of the apprentice and workshop systems. In Europe the Renaissance movement to increase the prestige of the artist led to the academy system for training artists, and today most of the people who are pursuing a career in arts train in art schools at tertiary levels. Visual arts have now become an elective subject in ...
