Page 115 For the DIRECTV Universal Remote Control (RC65 and earlier models): Check that nothing is between the Remote Control and the remote sensor. Go online to directv.com/mobileapps for downloads and instructions. There may be an obstruction to your dish (debris, snow, ice, etc.) or a building or tree that blocks your line of sight to the satellite. Special events like UFC, Boxing, WWE and more are listed in the Program Guide starting around channel 117. Select the Reset item from the left menu and follow the onscreen instructions. You'll be asked to create a passcode. Note: Only an HDMI connection provides a 1080p picture and 3D TV. DIRECTV will void this limited warranty. 8. Only select networks corresponding to your Discover content and control your entertainment experience package selection are available for live streaming and may on your smart phone using your voice. Use it for the channel you're currently watching or type in a new channel number to see what's airing next there. Type a keyword in the search screen and press the RED button on your Remote. *Limitations and exclusions apply. See "Caller ID" in Chapter 5. Since the aspect ratio is maintained, the image is no longer wide enough to fill the screen, so gray or black bars are seen at the left and right edges. Internet (See Figure A). While watching one program, press the INFO button on your remote. A blue, K icon will appear next to the program title indicating it will be kept until you delete it. EXTRAS YOUTUBE Watch millions of Internet videos on your TV. You can also access Parental Controls by pressing INFO, then selecting Parental, then Parental Controls, 43 Smart Search 43... CLOSED CAPTIONING Select the CC option, then select either DIRECTV Subtitles or Closed Captioning. All other trademarks and service marks are the property of their respective owners. WARNING: Use only the power supply (power cord) that came with your DIRECTV Receiver. Why? PLAYLIST The Playlist screen displays all your recorded programs. 99 99... GENIE HD DVR ™ The DIRECTV Genie HD DVR is the most comprehensive and flexible DVR experience from DIRECTV. NOTE: If you experience difficulty connecting to the Internet, or need more information, visit www.directv.com/getconnected. By contrast, the GNU General Public License is intended to guarantee your freedom to share and change free software-to make sure the software is free for all its users. LIVE BUFFER Your DVR saves programs to the hard drive instantly and continuously, while you watch. This "live buffer" lets you pause, rewind, fast forward* or instant replay (jump back 6 seconds). A letter "R" at the end of the model number (which may be followed by other letters) indicates that the remote supports RF. Remove... Page 60 MANAGE RECORDINGS When recording a series, the Episode Type gives you the option to record first run only, repeats only, or both.
